Safety Instructions: "Children under 14 years of age should not be allowed to roll out the table, unlock it and place it in the playing position, or close the table and return it to the storage position. When lowering each half of the table top, make sure that the outer legs P6 are pulled gently away from the underside of the table. This table is suitable for both indoor and outdoor use. As far as possible the table should be stored indoors. Always cover the table when not in use. Check the wheel brakes are off when moving the table and they are on again when the table is in the play and storage position"
