

# Active L19

Indoor Butterfly Table Tennis Table

The Butterfly Active L19 has a 19mm playing surface and a reasonably strong frame. Unlike the other Active 19 the Active \*L19\* is moved as one unit and not two. The folding system is quick, easy and safe and each leg has a height adjuster for levelling. The net and post set stays on the table when it's folded for storage.

Assembly: Allow 60-90 minutes for self-assembly
