

Butterfly Octet Indoor Table

Table surface available in:

- Green
- Blue

This is a high-level ITTF approved competition table with a 25mm anti-skid playing surface. It offers an excellent bounce and boasts a strong frame with good quality wheels. It folds as two separate halves which can be slotted together for storage. **Please note** that the net and post set is not supplied as part of the package with this model and needs to be purchased separately.
