

Butterfly Spirit 10 Outdoor Rollaway Table

Table surface available in:  Blue  Green

The Butterfly Spirit 10 Outdoor Rollaway is part of Butterfly's 2016 range. The 10mm thick top is made using treated plywood. To store, you simply remove the net and post set and then each half is folded using one catch. The legs are adjustable for leveling and the package includes 2 bats, 3 balls and a cover. If your budget allows the Spirit 12 offers a slightly better bounce whilst the Spirit 18 is significantly better (also boasts a stronger frame). However this does increase the weight of the table to 96kg for the 12 and 133kg for the 18.
