

Cornilleau Sport 150S Crossover Outdoor

Table surface available in:

 Grey

The Cornilleau Sport 150s has a Soft Mat-Top finish (3 times less glare when the sun is overhead) and a bat holder on the side panel. The Sport 150s uses Cornilleau's Push & Lock system for folding/unfolding (same system as the Sport 100) and boasts leg levellers. All four wheels steer and two have brakes. The benefits of the next model up (the Sport 250s) are that it has the DSi folding, ball storage (as well as bat storage) and a better net and post system.
