

## Cornilleau Challenger Outdoor

Table surface available in:

The Challenger is Cornilleau's newest entry-level table. The 4mm resin top is suitable for families looking for some fun in the garden. It boasts a Soft-Mat finish (which means you get three times less glare on the table-top on bright days), has bat storage and leg-levellers. As with all Cornilleau outdoor tables it has superb weather-proofing and a ten-year warranty. The benefit of the next model up (the Sport 100S) is that you get a 5mm top with improves the bounce (recommended if the budget allows).
