

Cornilleau 610 Competition Indoor

cornilleau

Table surface available in:

 Blue

This table is an ITTF approved Competition table. It offers an excellent level of play and is very robust. It can be folded for compact storage and has two hidden wheels on the underside of each table half. The benefits of this style of table are that it arrives pre-assembled, is very strong and takes up minimal storage space.

However it is more awkward to fold and manoeuvre than a rollaway table.

Table size: 275cm (l) x 153cm (w) x 77cm (h) (9' x 5' x 2'6")

 Storage size: 138cm high x 152.5cm wide x 14.4cm deep (Table's stored as 2 halves. The depth is measured as the total depth of both halves together.)
