Cornilleau 640 Competition Indoor

Table surface available in:

Blue

This table's ITTF approved and has a 22mm playing surface with a 'SKILTOP' finish (better grip when the ball hits the table). Whilst it has a few benefits when compared with the Pro 540 (better wheels and more compact storage), it is hard to justify the large price difference. We usually find customers either buy the 540, or bypass the 640 and purchase the 740.

Table size: 275cm (l) x 153cm (w) x 77cm (h) (9' x 5' x 2'6")
 Minimum play area: 5.1m (l) x 3.3m (w) (17' x 11'), guideline only
 Storage size: 158cm high x 183cm wide x 65cm deep
 Weight: 114kg / Packaged weight: 120kg

3 year guarantee on all non-wearing parts
 (excl. wheels, net and posts, bats etc.)

UK mainland delivery is free and usually within 3 working days (charges apply for offshore and some very remote locations). We offer a pre-booked, two-man delivery service.
