

Cornilleau Sport 300X Outdoor

Table surface available in:

The Cornilleau Sport 300X has a 5mm resin soft-matt finish that reduces glare by three times on bright sunny days. It also has a very clever net (with tension adjustment) that can be pushed flat against the table frame (like the wing-mirror of a car). This protects the posts from being broken. It benefits from a ten year warranty. The legs are strong and boast levelling feet plus it has good quality wheels. It also has a storage area for bats and balls.

Table size: 274cm (l) x 152.5cm (w) x 76cm (h) (9' x 5' x 2'6")
 Minimum play area: 5.1m (l) x 3.3m (w) (17' x 11'), guideline only
 Storage size: 155cm high x 165cm wide x 75cm deep
