## Easifold DX22 Indoor Butterfly Table Tennis Table

The Butterfly DX22 is based on the Easiold but is stronger and has a 22mm top. It arrives 90% pre-built (you just add the wheels) and the 22mm table-top gives a good level of play. It has a neat folded position but does take a little longer to fold & unfold than a 'one-piece' rollaway table. This is because you have to un-clip the net and then the table folds as two separate halves that slot together for storage.

Assembly: Allow 10 minutes for self-assembly (arrives mostly pre-built)
