

Kettler Axos 3 Outdoor Table

FREE Accessories:
Worth over £60

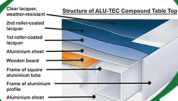

Table surface available in:  Grey with yellow lines

Like all Kettler outdoor tables, the Kettler Axos Outdoor 3 benefits from a 22mm top, comprised of a wood board encased in Aluminium. This provides an excellent bounce and a strong surface with good weatherproofing. It also has an anti-dazzle finish which reduces shine on the table on bright days. The Axos Outdoor 3 has a bat and ball holder, plus a good folding system and a neat storage position. All four wheels steer and two have brakes. The net and post set stays on the table when folded making it quicker to fold. The benefits of next model up (The Kettler Stockholm GT) are that it has leg levellers, a stronger frame, thicker legs with an additional support bar between them.
