

National League 22

Indoor Butterfly Table Tennis Table

The Butterfly National League 22 boasts a 22mm playing surface which offers a good level of play. It's supplied with a high quality clamp-on net and post set. It has two separate halves that you unfold and place together, you then clip on the net and post set. To fold the table for storage you simply remove the net and post set, fold the two halves independently and then slot them together. Please note that whilst this offers a good level of play it is not ITTF approved (which some clubs require).

Assembly: Allow 10 minutes for self-assembly
(arrives mostly pre-built)
