

Cornilleau Christmas Delivery Information 2023

The cut-off date to guarantee a pre-Christmas delivery to all of our normally available postcodes is 1pm on **Friday 15th December**. However if you choose to have the assembly service there will be an earlier cut-off of 1pm on **Wednesday 6th December**.

We will continue to accept orders after this date, and will endeavour to plan as many as possible, but there is no guarantee these will get delivered in time for Christmas.

Further Delivery Information

You'll be contacted by the couriers to offer a date. On the pre-arranged day you'll receive a call around 30 minutes before arrival. The couriers provide a two-man service to a garage or ground floor room where reasonable access is available (they will not carry the table up flights of stairs or more than a few outdoor steps).
