BUTTERFLY

STEP 3

Attach long brace support P2 & small brace support P3 with wheel assembly P4 using nut and bolt P22 - 100x8mm and tighten it with the help of two spanners.

STEP 4

Bring down the table on the floor and repeat step 2 & 3 for the second half.

STEP 5

Attach Racket and ball holder P19 with table frame cross bar P5 with help of tightening screw P10.

STEP 6

To open table push plastic handle P18 upwards to release safety catch locks.

STEP 7

Attach posts to the left and right side of the table

Place net onto posts. Feed string through grooves. Adjust tension of the net with the chains.

STEP 8

Pull upwards plastic handle P18 to lift the table and make sure side lock pins are locked properly for storage.

Safety Instructions: When lowering each half of the table top, make sure that the outer legs P1 are pulled gently outwards from the underside of the table so far as they can go. Failure to do this may result in injury or damage to the table. This table is suitable for indoor & outdoor use. Make sure that the wheel brakes are off when moving the table and are on when the table is stored or in the play position. Always cover the table when it is not in use.
